Re: April 23, 2025, Correspondence

Dear Senator Dush,

This correspondence is in response to your request for information regarding the proposed closures of SCI Rockview and Quehanna Boot Camp. As stated in my opening remarks at the April 15, 2025, public hearing, the Department would address concerns raised during the hearings either in our final report or other appropriate forums.

Following the public hearings, the Department began drafting responses to provide information to significant common themes raised at the hearings. We anticipate publishing those responses and supporting documentation during the week of May 5, 2025.

I anticipate that these responses will answer some of your questions, while the final report will address the remainder when issued. If you have additional questions after you have reviewed the responses and would like to schedule a meeting, please let me know.

Regards,
